

ift-Product Passport

Insulating glass unit according to DIN EN 1279-5

Number	14-003316-PR09 (PP-H01-11-en-03)	
Validity	Valid until December 2023	
Declaration holder	PRESS GLASS SA ul. Golfowa 19 42-274 Konopiska Poland	
Profile category A & B Edge seal category 1	Insulating glass unit with polysulphide edge seal	
Profile category A & B Edge seal category 3	Insulating glass unit with silicone edge seal	
Profile category C Edge seal category 2	Insulating glass unit with polyurethane edge seal	
Profile category C Edge seal category 3	Insulating glass unit with silicone edge seal	
Product designation	PRESS GLASS SA IGU	
Moisture absorption	DIN EN 1279-2	
Gas leakage rate	DIN EN 1279-3	

Performance characteristics (as per EN 1279-5 Annex ZA.1)

Characteristics	Resistance to fire	Reaction to fire	External fire performance	Bullet resistance	Explosion resistance	Burglar resistance	Resistance to Impact test
Class / value	 npd	 npd	 npd	 npd	 npd	 npd	 npd
Characteristics	Thermal shock resistance	Resistance against wind, snow, permanent and live loads	Sound reduction index	Thermal properties	Light transmittance and reflection	Solar energy characteristics	Optical and visual quality / dimensional tolerances
Class / value	 ΔT	mm	 npd	 U_g^*	 τ_v, pv^*	 g^*	 See section 5.15

npd = no performance determined

* Values depend on the product structure (see Annex Type list)

Instructions for use

The ift Product Passport provides evidence of the general performance of the designated product families as set out by the product standard.

The values/classes indicated refer both to the specific object described in the specific evidence of performance and the scope/field of application defined by the ift system passport.

Application of the performance characteristics is subject to the national technical provisions referring to building construction and the respective contractual provisions.

This Product Passport can be used by the manufacturer to draw up the declaration of performance in accordance with the Construction Products Regulation 305/2011/EC and for issuing the ift Certificate of Conformity, which documents the conformity of the finished products and the factory quality/production control through regular third party audits of the manufacturers by the ift Rosenheim.

Notes on publication

The ift-Guidance Sheet "Conditions and Guidance for the Use of ift Test Documents" applies. The cover sheet can be used as an abstract.

Content

The product passport contains a total of 31 pages

- 1 Overview, Basic systems insulating glass units 2
- 2 Matrix of possible combinations of insulating glass units 5
- 3 Classification matrix as per EN 1279-5 7
- 4 Profile category A & B 9
- 5 Performance characteristics as per product standard EN 1279-5 25
- 6 Special instructions for use 30
